

Class D Spring Newsletter

What a busy half term we have had. We have been exploring Space, writing lots of poems and sentences to describe aliens based on the book 'Aliens Love Underpants'.

We have had lots of fun travelling to space in our rocket and exploring the planets in our solar system.

1 2 3
4 5 6
7 8 9

We have been looking at patterns and sequencing in numeracy as well as our numbers and number formation.

What will come next in this pattern?

Forest Schools.

We have started our forest schools with trips around the local community to find and design our own h.p rocks.

Easter Egg Hunt

We had a lovely time on our Easter egg hunt and made lovely Easter nests. All of you made such an effort with your Easter bonnets; they looked fantastic, well done!

Reading at home

The children are making fantastic progress with their reading. Please continue to read at home.
