Thank you to all the parents/carers who took time each week last year to help their children with homework, most of the work that was produced was fantastic!

We will be handing out brain builder homework on Thursdays alongside spellings and times tables.

Reading

A big thank you to those who read regularly with your children, it makes a big difference to their progress. Please make sure you record reading in your children's reading record.

Children will take part in regular guided reading sessions at school to strengthen their comprehension skills.

If your child wishes to change their book, we ask that they change it independently, but that they then inform a member of staff so they can record this in the class reading folder.
