

Class A

Brain Builder Book

Friday 12th October to be handed in on Friday 19th October 2018

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Thursday 11th October was 'World Sight Day'. Research the human eye and how it works and present your findings. What is Braille? Can you write your name in Braille? (you could use tiny balls of foil for this) OR do a pencil drawing of a human eye really close-up and as realistic as possible. (Make the drawing quite big and detailed)
- Maths: Internet Hack Rounding worksheet. Choose your level of challenge: *, **, or ***.
- Topic: Research the most important Roman Gods and Goddesses and then create a fact file including pictures.
