

## Class A

### Brain Builder Book

**Friday 16th November to be handed in on Friday 23rd November 2018**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- News: Next week is Road Safety Week 2018. Write a letter to Anne, our School Crossing Patrol Officer, to thank her for keeping you safe on the A6. Tell her why her job is so important and about any memories of her that you have. Alternatively, you could write her a poem.
- Topic: Research what the Romans liked to eat. Imagine that you are a rich Roman and write and decorate a menu for a Roman banquet.
- Maths: Think about what you have been learning recently in Maths. Write down at least 5 multi-step word problems (with answers) that would be suitable for someone in Class A to solve. Make sure they are challenging enough.
