

Class A

Brain Builder Book

Friday 19th October to be handed in on Thursday 25th October 2018

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: October 17th was National Heroes Day UK. Who is your personal hero? Explain why you think they are a hero. Instead, if you want, you could invent your own superhero and write a story about when they came to the rescue!
- Maths: Further Roman Numeral practice. Please choose and complete ONE of the CrossNumber sheets (not both).
- Topic: What did a Roman soldier wear? Draw and label a picture of one. Explain what each part was for. What were his duties and how did he train?
