

Class A

Brain Builder Book

Friday 30th November to be handed in on Friday 7th December 2018

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: 'Advent' begins on Sunday 2nd December. Complete the reading comprehension questions about the festival of Advent.
- Topic: Find out about how the Romans built roads and write some step by step instructions with pictures.
- Maths: Create a display poster for our classroom explaining factors and multiples.
