

Class D Autumn Newsletter

Welcome back!

We have all had a fantastic start to school life!

The children have all settled in with ease and are thriving in all aspects of school.

As always, if you have any questions please speak to Miss Nicholls or Kayleigh.

Read Write Inc.

We are having an open afternoon on Monday 19th November from 1.30pm where the trainer from Read Write Inc. will come in and discuss this and answer any questions. The children are progressing so well.

Forest Schools.

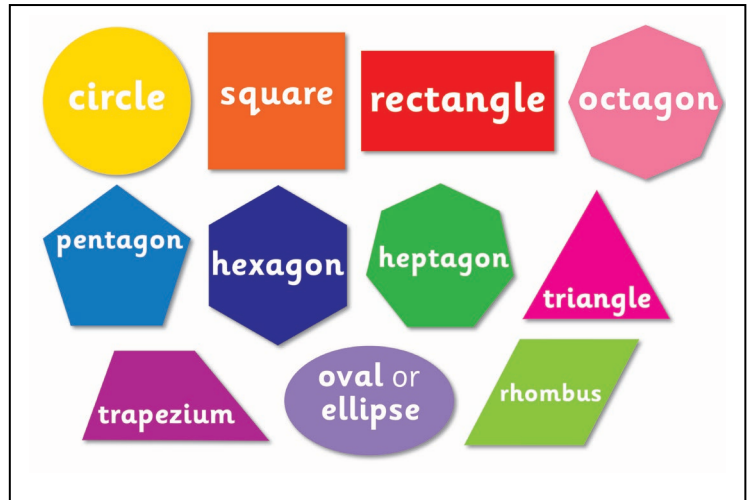

Forest School sessions will continue to run every Thursday afternoon. The children love our outings and they are valuable to the children's learning and development.

Numeracy

This term we will be looking at Shape in Numeracy, in particular the properties of 2D shapes.

Why not encourage your child to find 2D shapes and tell you their properties i.e. 4 equal sides etc.

Remembrance Sunday

We are looking at a CBeebies video which explains why we honour Remembrance Day.

Changing Seasons

We are also exploring the changing seasons and reading the book "Owl Babies".

We will be talking about what animals are nocturnal and looking at hibernation.

We have set up a bird watching tent for the children to explore.

Please continue to support your child by reading stories with them at home and asking them to explain the meaning of the story to you.

Thank you,

Miss Nicholls
