

## Class A

### Brain Builder Book

**Friday 8th February to be handed in by Friday 15th February 2019**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- News: A giant fatberg has been found blocking a sewer in Devon this week. What is a fatberg? What can we do to stop them forming? Write a fact file to inform people about them.
- Maths: Valentine's Day Sudoku puzzle
- English: Interview somebody that has lived in and around Furness Vale for a long time and ask them about what it used to be like. What changes have happened. Think about your questions beforehand. Record your findings in your book.
