

Class A

Brain Builder Book

Friday 11th January to be handed in by Friday 18th January 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Bluebottles are sea creatures and they have been ‘invading’ beaches in Australia this week causing many beaches to close. What can you find out about these creatures? Write a report to show your findings.
- Topic: Draw or paint a picture of your own house or create a map of your bedroom. Don’t forget to include a key.
- English: Write a Book Review. What is the book about? Who is your favourite character and why? What is your favourite part of the book? Give some reasons why someone else should read the book.
