

## Class A

### Brain Builder Book

**Friday 1<sup>st</sup> March to be handed in by Friday 8<sup>th</sup> March 2019**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- Maths: Write 5 fraction word problems for a friend to solve, including answers. Use the skills you have learned in school such as finding fractions of amounts.
- Topic: You have started to learn about rivers in Geography with Miss Garvin. Can you create a small model which shows the journey of a river from the source to the mouth?
- English: Complete the Pancake Day reading comprehension.
