

Class A

Brain Builder Book

Friday 15th March to be handed in by Friday 22nd March 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: World Poetry Day is celebrated every year on 21st March. Can you write a poem about school life? Make sure you decorate your neat version. Instead, you could have a go at writing a funny poem such as a 'limerick'.
- Topic: We have been learning about rocks this week. What is 'Fracking'? Research what it is and then write an explanation with pictures. What is good and bad about it?
- Maths: Ordering decimals worksheet.
