Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Cyclone Idai hit southern Africa last week causing terrible damage and affecting millions. Research information about cyclones and present your findings in a fact file.
