

Class A

Brain Builder Book

Friday 12th April to be handed in by Friday 3rd May 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: There is a new special release £5 coin to celebrate the 20th anniversary of Queen Victoria's birth. Research this very important monarch and then write a biography about her life.
- English: Can you write an Easter acrostic poem? Make sure you decorate your neat version.
- Maths: Easter Percentages worksheet.
