

Class A

Brain Builder Book

Friday 3rd May to be handed in by Friday 10th May 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: May 3rd is Space Day 2019 when all things to do with Space are celebrated. Can you make a book about our Solar System with lots of interesting facts and pictures?
- Topic: Use the internet or an atlas to help you label the continents and oceans on the blank world map. Use crayons to add colour.
- Maths: You have started to learn about angles and turns with Mrs Cole. Complete the worksheet to help reinforce your learning.
