

## Class A

### Brain Builder Book

**Friday 10th May to be handed in by Friday 17th May 2019**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- News: The Islamic holy month of Ramadan has begun. Research what Muslims do during this month and why it is so important. Record your findings in your book and include drawings or pictures if you can.
- English: Create a poster to help Key Stage 2 children to understand all about Synonyms.
- Maths: Use a protractor to practise measuring and drawing angles. This will please Mrs Cole! You may borrow a protractor from school if you need to but don't forget to return it afterwards.
