

Class A

Brain Builder Book

Friday 24th May to be handed in by Friday 7th June 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Judith Kerr, the children's author who wrote 'The Tiger Who Came To Tea' has sadly died. Imagine if a different animal came to tea. How would your family react? Can you write a story about what happened?

- Topic/Science: What do animals in the ocean eat? Create an ocean food chain or web with drawings or pictures.
- Maths: Calculating the perimeter and area of rectangles worksheet.
