

Class A

Brain Builder Book

Friday 14th June to be handed in by Friday 21st June 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: The Women's World Cup 2019 is currently taking place and it is producing many sporting legends. Do you have a sporting hero who inspires you? Research that person and write a biography about their life so far.
- Topic: On Thursday, we are going sailing at Toddbrook Reservoir. Research sailing and produce a beginner's guide. What equipment do you need? What do you wear? Can you make a list of sailing terms e.g. bow, rudder, jib.
- Maths: Converting Measurement worksheet.
