

## Class B

### Brain Builder Book

**Friday 11<sup>th</sup> Oct to be handed in by Friday 18<sup>th</sup> Oct 2019**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- News: Marvel Comics is celebrating its 80<sup>th</sup> birthday this week. It has created superhero characters such as Spider-Man, The Hulk and Wasp. If you could have any superpower, what would you have and how would you use it? Why not create your own superhero and a comic strip story about them using speech bubbles?
- Maths: Addition pyramids worksheet
- Topic: Why were cats so important in Ancient Egypt? Use the internet to research this question and write some facts. Also, draw an Ancient Egyptian cat to illustrate your work.
