

Equal Opportunities at Furness Vale Primary School

At Furness Vale Primary School, we value the individuality of all our children. We are committed to giving all our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied experiences and needs. We offer a broad and balanced curriculum and have high expectations of all children. The achievements, attitudes and well-being of all our children matter.

Our equal opportunities and accessibility policy is intended to ensure that this school promotes the individuality of all children, irrespective of ethnicity, religion, attainment, age, disability, gender or background.

- We do not discriminate against anyone on any grounds
- We promote the principle of fairness and justice for all through the education we provide – we recognise that to do this, some people will be treated differently.
- We seek to ensure that everyone has equal access to the full range of educational opportunities offered, we also recognise that sometimes this also includes treating people differently.
- We strive to remove any barriers to learning for all groups
- We challenge personal prejudices and stereotypical views whenever they occur
