

Class B

Brain Builder Book

Friday 10th January to be handed in by Friday 17th January 2020

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- English: Write a recount or newspaper report about Class B's first day at White Hall.

- Maths: Multiplication and Division Word Problems.
- News: The Consumer Electronics Show (CES) is taking place in America this week where the latest gadgets are shown. There's a cat robot that can deliver food like a waiter to people in restaurants and even a robot that can bring you loo paper when you run out on the toilet! Can you design and draw your own robot? Explain what it can do.
