

Class B

Brain Builder Book

Friday 15th November to be handed in by Friday 22nd November 2019

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Next week is Road Safety Week 2019. Write a letter to Anne, our School Crossing Patrol Officer, to thank her for keeping you safe on the A6. Tell her why her job is so important and about any memories of her that you have. Alternatively, you could write her a poem.

- English: We have been learning about the seven coordinating conjunctions. (FANBOYS). Complete the worksheet and/or create a poster to teach someone what they are.
- Topic: A 'shaduf' was invented by the Ancient Egyptians. Find out and write about what a shaduf is and how it works. You could also draw a picture. As a challenge, why don't you build a model of one?
