

Brain Builder Book

Friday 15th November 2019 to be handed in on Friday 22nd November 2019

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: 'Children in Need' was the main headline on Newsround this week. Can you research the Children in need and create a presentation explaining why we fundraise for Children in Need and where the money goes?
2. Maths: In maths we have been working hard on adding and subtracting fractions. Can you write 10 questions to challenge Mr Waring. You must know the answer! For an extra challenge can you write 5 word problems.
3. Literacy: In literacy we are going to be moving onto short story writing next week. For your homework can you write your own short story?
4. Topic: To continue to learn your lines for our class assembly!
