

Brain Builder Book

Friday 20th September 2019 to be handed in on Friday 27th September 2019

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: 'Rugby World Cup' was the main headline this week on Newsround. Can you research the world cup and find out where it is being hosted, who the teams are and any other information you feel is relevant. Present your findings anyway you like.
2. Maths: For your maths homework this week can you complete the worksheet on negative numbers?
3. Spellings: Can you write 2 sentences for each of your spellings. As an extra challenge can you create a paragraph in which you include all of your spellings.
4. Literacy: With every attentive stride, the cry of the abandoned city became more and more deafening...
Continue the opening to this story by describing what it was like when you finally reached the city.
