

Brain Builder Book

Friday 22nd November 2019 to be handed in on Friday 29th November 2019

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: 'The mouse-deer back from the brink of extinction' Was one of the main headlines on Newsround this week. Can you research the mouse deer and any other animals that have come back from the brink of distinction?
2. Maths: Can you spend half an hour a night on TT Rockstars – We need to make sure we are secure with our times table knowledge both in Y5 and Y6! (you must provide proof!)
3. Literacy: In literacy we have been left the following items...

Can you create a profile for the person you suspect left these items in our school? You must label your illustrations.

4. Spelling: Can you write a sentence for each of your spellings and then write a paragraph including all 10 of those spellings.
