

Brain Builder Book

Friday 6th December 2019 to be handed in on Friday 13th December 2019

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: Choose any news item from this week's news and present your findings in any way you like!
2. Maths: Can you create a leaflet explaining how to calculate fractions using each of the four operations. You need a page on... adding, subtracting, dividing and multiplying. You could then have a quiz at the end to test the readers knowledge. (Year 6 MUST DO THIS ONE!)
3. Spelling: Can you write a sentence for each of your spellings and then write a paragraph including all 10 of those spellings.
