

Brain Builder Book

Thursday 7th November 2019 to be handed in on Friday 15th November 2019

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: '30 years of Wallace and Gromit' was the main headline on Newsround this week. Can you research the famous show and write a review on Wallace and Gromit? If you wish, you can write about any other news item from this week's news.
2. Maths: In maths we have been working hard on division and how to write the remainder as a decimal. For your homework can you teach someone in your family how to do this and set them some questions to answer?
3. Literacy: In literacy we have been learning about non-chronological reports. For your homework can you create a non-chronological report on anything you like?!
4. Topic: We are going on our trip to the Silk museum tomorrow. Can you write a recount of your day explaining what you enjoyed and what you thought could have been better?
