

Class B

Brain Builder Book

Friday 7th February to be handed in by Thursday 13th February 2020

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: Safer Internet Day is on 11th February. Design a poster telling your friends how they can keep safe when using the internet.
- Maths: Chocolate Bar Measuring worksheet or Measure the Perimeter of 2D shapes worksheet.
- Topic: Next week, we will be doing some pattern printing in Art. Research traditional African repeating patterns. Copy a simple one and colour/paint it.
