

## Class B

### Brain Builder Book

**Thursday 13<sup>th</sup> February to be handed in by Friday 28<sup>th</sup> February 2020**

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- News: Three brown bears have just come out of hibernation at Whipsnade Zoo but what is hibernation, which animals do it and why? Do some research and present your findings.
- Science: Draw and write a comic strip story about a piece of pizza as it travels through the human body. Remember what you learnt with Mrs Harding.
- Topic/English: After the holiday, we will be getting to work on our show which will be 'The Lion King'! Write the story of The Lion King in your own words.
