

Class B

Brain Builder Book

Friday 17th January to be handed in by Friday 24th January 2020

Basics: reading, spellings and times tables – these must be done throughout the week. Children will be tested on their spellings on Mondays.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- Topic: Here are some riddles about some African animals.

I'm an animal you might love
But I'm too big to be your pet
I have an extremely long trunk
And it's said I never forget.

I am known as a king
The jungle's where I reign
It is hard to tame me
And I have a large mane.

Write some riddles of your own about African animals.

- News: National Handwriting Day is celebrated on 23rd January each year. Write out your favourite poem in your very BEST handwriting. You could also decorate it.
- Science: You have been learning all about teeth with Mrs Cole over the last two weeks. Design a poster giving people some top tips on how to care for their teeth and keep them healthy.
