

Nursery Home Learning - Tuesday 24th March 2020

Please choose one task or do both.

Phonics/Communication & Language

Go on a listening walk with an adult! You could go around your house or an outside area and practise listening carefully to all the different sounds you can hear.

Talk about what you heard. Did you recognise all the sounds? Were they loud or quiet? Were they long or short sounds.

Draw a picture of your favourite sound.

Numeracy

Play an online number game on topmarks.co.uk (age appropriate or challenge them).

When playing with building bricks or small toys, encourage your child to count how many of each colour or size they have.
