

# Nursery Home Learning - Thursday 26th March 2020

Please choose one task or do all three.

## Expressive Arts and Design

Draw an adult a picture of a flower, remember to draw the petals, the stem and a leaf. Remember to decorate it with colours. Think carefully about the colours you could use.

## Physical Development

Google 'cosmic yoga' and let the children do some yoga to a story.

## Understanding the World/Phonics

Play a phonics song from youtube.

Play an animal sound guessing game with an adult. Can they guess the animal sound you are making? You can meow like a cat or woof like a dog.

Now can you guess the animal sound they are making?
