

Nursery Home Learning - Monday 30th March 2020

Please choose one task or do both.

Literacy/Expressive Arts & Design

As you listen to a story or rhyme, use some instruments or noise makers to add sound effects to the story. You can make your own noise maker for eg. A container with rice in it. Can you make the noise loud or quiet?

Mathematics

Get an adult to write numbers 1-5 or 10 if you feel like a challenge, cut them up and put them around the house and garden. Then you can go on a number hunt.

Once you have found all the numbers, can you put them in order.

Understanding the World

Go on a scavenger hunt. What can you find? Leaves, birds, rocks, worms, insects, grass, flowers, clouds, bushes. Ask an adult to write you a tick list or perhaps you could draw what you find.
