

Reception Home Learning - Monday 23rd March 2020

The children will be sent four tasks to complete each day. An exercise book has been sent home for sentence writing or any pictures they are asked to observe and draw.

Maths

Ask an adult to hide the numbers to 20 around your room, house or garden. See if you can find all 20 and place them in order. You could ask someone to tell you a number to find. Can you remember what the number looks like and find it? **Challenge: Can you tell them one more and one less of the number?**

Knowledge and Understanding of the World

Try some planting activities in your garden. You could plant some seeds in a flowerpot filled with soil. Make sure to give them some water and put them somewhere sunny.

Literacy

You have been reading about a witch's potion in your RWI book. Can you write a witch's potion? Make it as disgusting as you like!

Movement

Find a wall. How many arm pushes can you do in a minute?

Animal Antics Use your body to pretend to be different animals:

Snake: slither across the floor

Butterfly: flutter around the room

Elephant: stomp with both feet

Kangaroo: bounce around Frog: hop like a frog

Flamingo: stand still on one leg
