

## Brain Builder Book

**Monday 6th<sup>th</sup> April 2020 to be completed by Monday 20<sup>th</sup> April**

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

**Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.**

**Rules: no more than 2 pages of your book and it must be presented neatly.**

**Hi all, these are only suggestions for the Easter holidays as I want you to enjoy these two weeks doing the things you love. If you would like to however, I have written five suggestions that you could try. Stay Safe and keep smiling. The staff may have a surprise for you all very soon!!**

1. Craft: Create a model of something related to Easter. It may be food, art, junk modelling, Lego or any other fab way you can think of.
2. Maths: Try completing some more pages from those SATS books of yours. It will make sure your brain stays switched on!
3. P.E: Can you beat me by completing a full two weeks of Joe Wicks workouts? If not, at least try completing a couple.
4. Literacy: Continue to write a fantasy story. *The abandoned shack sat crying amongst the silent, green, haunted moss...*

5. Extras: Schofield and Sims books. TT Rockstars, 123 Maths and any other books that have been sent home.
