

# Nursery Home Learning - Tuesday 21<sup>st</sup> April 2020

Please choose one task or do all four.

## Mathematics

Google '10 Little Number song'. Encourage your child to use their fingers to show you 1 little, 2 little, 3 little numbers etc.

Your mission today is to go and find 10 sticks, stones or objects and then order them from the biggest to the smallest.

## Physical Activity/Listening activity

I would like you to go on a scavenger hunt and find me:-

Something smooth

Something rough

Something that makes a noise

Something round

Something yellow

Something that came from a plant

Good Luck!

## Literacy

Google cbeebies bedtime stories and find Kitchen Disco read by George Ezra. I know you all love this story so listen and watch it and join in with the story if you know it.

Then I would like you to draw your favourite character and tell an adult what they do in the story.

## Phonics

Teach a grown up the song Old MacDonald had a Farm. What animals will be in your song? What noises do the animals make?
