

# Nursery Home Learning - Wednesday 22<sup>nd</sup> April 2020

Please choose one task or do all three.

## Mathematics

Listen to our favourite 'Number song to 20'.

Can you build a brick tower? Can you build another one taller than the one you built first? Can you build one shorter than the first one? If you have no bricks, use dolls, one tall, one shorter, one in the middle.

Now can you put them in order.

## Physical Development

### Walk like an animal

Take it in turns to call out an animal, such as an elephant, kangaroo or bear! Everyone has to walk around the room as if they were that animal.

## Phonics/Literacy

Watch or listen to the story of 'The Tiger who Came to Tea' by Judith Kerr.

Have a picnic with your teddies and pretend a tiger joins you, tell an adult what food would he/she eat? Where would you take him/her?

Would you be scared?

Tell an adult which jungle animal you would like to come for tea at your house and draw me a picture of your chosen animal.
