

Nursery Home Learning - Friday 24th April 2020

Please choose one task or do all three.

Mathematics

Go outside and see how many spiders you can find. How many legs does an Incy Wincy spider have? Can you recite the rhyme 'Incy Wincy Spider', if you can't remember it, find it online and listen to it.

Then draw me a picture of an Incy Wincy Spider with the correct number of legs and write the number next to it and name your spider.

Physical Development

Ask an adult to hide a toy in your house/garden. You are going to be a detective and find the object. Ask questions to find out where it is, starting with the room it is in and then more specific questions, e.g. "Is it underneath something?" or "Is it behind something?" Then, you could hide the toy and they can ask the questions to find it.

Phonics/Literacy

Emma the Explorer has a list of things she needs to take on her next adventure but she can't read it! Can you help Emma work out what she needs to pack in her bag? See if you can sound out the words below and blend them together to find out what she needs to take. If you struggle, an adult can sound out the word and you could try and blend it together. Then draw a map, put your items in your bag and go on an adventure around your garden, what exciting things can you find?
