Letter from Headmasters Schoolwear

Dear Parents/Carers,

I hope this email finds you well. I am writing you with regards to supplying school uniforms. As we are dealing with unprecedented times I am making decisions based on the government guidelines and if the situation changes at any time.

As you may be aware our shop has been closed in line with government guidelines, however we are still available for online orders if you want to pre order school uniform ready for the return to school or for new starters in September.

You can choose to either have a delivery or collect from our shop, in New Mills, when we re-open. I am currently taking orders over the phone or via our website. As I am the only one in our shop I can maintain social distancing and I can make sure excellent hygiene is maintained.

Any NEW starters can pre-order uniform and again either have it delivered or collect it from us, and any sizes can be swapped should the children grow in the meantime, without a time limit.

I'm trying to make sure that we can still supply your children with school uniform and provide excellent service during these hard times.

Please don't hesitate to contact me if you have any questions. I am still receiving emails and you can also call me on 07728828574.

Kindest Regards

Emma Leatham
