

Nursery Home Learning - Monday 11th May 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

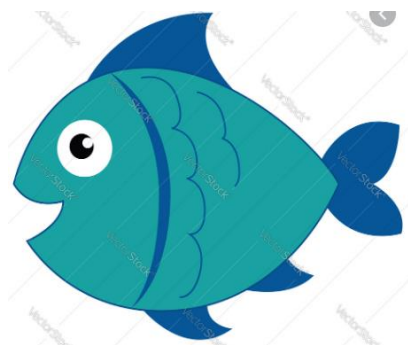

Mathematics

This week our topic is 'Under the sea'.

Listen to the number song - counting fish.

Ask an adult to write down three numbers, challenge your child to recognise the number before drawing the fish to match.

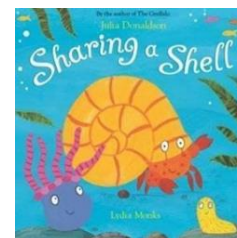

I would like you to draw the correct number of fish to match the numbers.

Literacy/Expressive Arts and Design

Listen or read the story of 'Sharing a Shell' written by Julia Donaldson.

Can you design or build a new home for the friends to live in?

Phonics

Can you make a fishing rod?

Set out different objects.

Can you use your fishing rod to catch an object?

Can you say the letter sound for the object you caught?
