

# Nursery Home Learning - Tuesday 5th May 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

## Mathematics/Expressive Arts

Ahoy me hearties!

We are going to find me some treasures.

Find an old box or something to carry your treasures. Now off you go, how many treasures can you find?

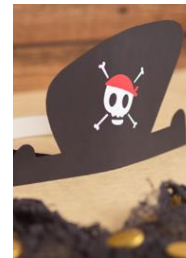

Good luck on your adventure!

## Literacy

Listen to the story of 'Ten Little Pirates' written by Mike Brownlow and Simon Rickerty.

Can you make a pirate hat? You can use any material you have. Create pictures to stick on it.

## Physical Activities

Pirates don't like getting their feet wet. To stop this from happening, they like to jump on large rocks until they reach the shore. Can you find some old blankets or draw pretend rocks with chalk and jump from rock to rock without falling into the water?

Be careful!
