

Reception Home Learning - Tuesday 12th May 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

Listen to the nursery rhyme, 1,2,3,4,5 once I caught a fish alive or if you know the words, you can sing it.

Can you draw 12 fish then cut them out?

Can you draw 3 buckets?

Can you share out the fish between the buckets so each bucket has the same amount of fish in each one?

Geography

Look on a map and find the location of your nearest beach. How would you get there? How long would the journey take? What would you see?

Write a list.

Literacy/Phonics

Remember to complete RWI.

Yesterday, you listened to or read the story 'Sharing a Shell' by Julia Donaldson.

Choose one of the animals in the story and find out about it.

Can you write a report about where it lives, what it eats, how it might defend itself etc?

Cut out pictures and put them in your report.

Expressive Arts and Design

Can you create your own sea creature?

Think about the colours you will use, the texture (will it be soft, rough), the materials you would use.

Think about a name for it.
