# Reception Home Learning – Monday 18th May 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

This week we are focusing on 'Minibeast'.

Listen to the 'counting with bugs' song by simple skits.

Can you draw three big ladybirds like this?

1.   2.   3.

We are going to learn about doubling numbers.

1. On ladybird number 1, draw 2 dots on one side and 2 dots on the others side. How many do you have altogether? 2+2=?
2. On ladybird number 2, draw 3 dots on one side and 3 dots on the other side. How many dots do you have altogether? 3+3=?
3. On ladybird number 3, draw 5 dots on one side and 5 dots on the other side. How many dots do you have altogether? 5+5=?

Challenge: can you draw another ladybird and make your own doubling sentence?

Literacy/Phonics/Expressive Arts and Design

Remember to complete RWI.

Listen to the story of 'The Bad Tempered Ladybird' written by Eric Carle.

Which is your favourite animal in the story?

Can you make your own?

Try using lots of different materials.

Write a sentence explaining why it is your favourite character in the story?

Role-play

The Bad Tempered Ladybird is grumpy and not very kind to the other animals.

Why don't you pretend to be a friendly ladybird and do 3 kind things for someone in your family/house?

The Bad-Tempered Ladybird
Eric Carle
