

Reception Home Learning - Wednesday 20th May 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

Play the game <https://www.topmarks.co.uk/maths-games/3-5-years/measures>

Count out 10 sticks or stones in a line. Put half in the soil for animals to hide under and put half in a wooden box for an insect home.

Half is an equal amount on both sides like sharing. So if I had 4 stones, I would put 2 in the soil and 2 in a wooden box.

Literacy/Expressive Art and Design

Remember to complete RWI.

Yesterday, we listened to the story 'Superworm' written by Julia Donaldson. You can listen to it again if you would like to.

Your task today is to create your own superworm or super bug? You can draw it, make it or craft it.

Write a sentence about its super power?

Physical Activity

Wiggle around like a worm. **WIGGLE WIGGLE!**
