

# Reception Home Learning - Wednesday 6th May 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

## Mathematics

Listen to a number song of your choice.

Can you solve the problem below?

Pete the Pirate hid 8 pieces of gold treasure. He has found 2 pieces of treasure. How many pieces are still missing?

You can use your fingers or draw pictures to help you work out the answer.

## Physical Activity

The captain is shouting orders, can you follow them and complete them three times.

- Flap your arms and fly like a parrot.
- Swing your arms and shout like a pirate, aargh!
- Walk the plank, 12 steps then splash into the water.
- Do the same but count backwards.
- The ship is rocking on the water, left right, sway like you're sailing on the tides.

## Literacy/Roleplay

Remember to complete RWI.

Listen to the story of 'The Night Pirates' written by Peter Harris.

Design and make your own pirate ship. Use your bed as the ship, use something outside or make a cardboard one. Take your teddies on the adventure.

Where will you go?

Who will you see?

What will you do?

## Expressive Arts and Design

Design and make a new flag for your ship.

Think about the colours, design, how you will hang it from your ship.
