

What's in the news?

Find out about something that is happening in the news at the moment. Perhaps you could use the Picture News Paper or watch a clip from BBC Newsround? Once you have chosen your story think about or discuss with an adult:

- What happened?
- Where did it happen?
- When did it happen?
- Who was involved?
- How did the news story make you feel?
- Do you have any questions you would like to ask?
