

## **Biography Planning Sheet**

A biography is a piece of writing about somebody's life. It usually shares key events in that person's life in chronological order.

Plan and write a biography of someone you think deserves a statue to celebrate their achievements. Begin by researching their life.	
•	Where/when were they born?
•	What was their childhood like?
•	What was their adulthood like?
•	What have they achieved?
•	Why should they be remembered?

Each of the questions above could be used to create one paragraph in your biography.

## Remember:

- paragraphs
- third person
- past tense
- vary sentence openers
- interesting vocabulary
- vary punctuation
- include pictures/photographs
