

Nursery Home Learning - Monday 1st June 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Listening/Expressive Art and Design

This week our topic is 'Space'.

The first story I would like you to listen to is one of your favourites, 'Aliens Love Underpants' written by Claire Freedman.

Can you design and make a new spacecraft for the aliens?

You can draw it and decorate it or you can create one out of old cardboard boxes or any junk modelling items you may have.

Mathematics

Listen to number song 'Space Rocket Ship' by Little Baby Bum.

Can you write out numbers 1 to 10 in different colours?

Can you put them in a backwards order?

Now pretend you are in your special rocket and shout out the countdown to blast off!!

Phonics

Play the alien word game 'Picnic on Pluto' on PhonicsPlay.co.uk

Pretend you are an alien and you have landed on a strange planet called Earth.

Find some objects and tell an adult what letter sound each object begins with in an alien voice?
