

Nursery Home Learning - Tuesday 2nd June 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Listening/Expressive Art and Design

Over the weekend a rocket called SpaceX launched into orbit. It had two astronauts on it.

I would like you to pretend you are an astronaut and you have just landed on a new planet.

I would like you to plan a tea party on the planet and invite the aliens.

You could draw pictures of the food you would want at the party.

Think about what kind a food an alien might like - star biscuits, rocket jelly or moon cheeseballs!

Mathematics

Count back from 10 to blast off to an adult.

Can you make a 2D shape rocket?

Use triangles, circles, squares and rectangles.

Phonics

Develop and teach your family your own alien language.

What word could you use for 'hello'? How about 'blooba', 'floppa' or 'cookaboo'?

You choose - it's your alien language!
