

Nursery Home Learning - Wednesday 3rd June 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Literacy

Listen to the story of 'Beegu' written by Alexis Deacon.

It is about a friendly creature called Beegu who is not supposed to be on Earth. She is kind to everyone but the Earth people are not very kind to her.

How many kind things could you do today?

Ask an adult to write down 2 kind things you are going to do today.

Expressive Arts and Design

Can you draw your own Alien friend?

Think about the colour, how many eyes they have, how many ears they have, fingers, toes, arms, legs. Use your imagination!

Mathematics

Ask a grown-up or friend to sing or listen to '10 Little Men in a Flying Saucer' with you. You could use your fingers to be the men in the flying saucer and put one down when you sing, "one man flew away."

Remember your tea party on another planet yesterday. Perhaps you could bake some star shaped biscuits or planet iced buns.

You can help by measuring out the ingredients with an adult.

Physical activity

You have to be fit to be an astronaut. Imagine you are an astronaut.

Can you moonwalk across the garden?

Can you fly around the living room in your rocket?

Can you run on the spot? Fast

Can you run on the spot? Slowly
