

Nursery Home Learning - Friday 5th June 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Literacy/Roleplay

Listen to the story 'Whatever Next' written by Jill Murphy.

Could you act out the story? Which characters will you need to have? Will you use any props? Create a pretend rocket like Baby Bears.

Expressive Arts and Design

Baby Bear has a sieve as his space hat.

Can you design a space hat for Baby Bear?

Can you make it or draw it?

Mathematics

In the story 'Whatever Next!' Baby Bear and Owl fly on their rocket to the moon.

Make a shopping list that includes items you might need for a picnic on the moon.

How much would these things cost?

How much would they cost altogether?

Physical Activity

Baby Bear thinks that the moon is a bit boring. Plan some games and activities that he could do to make his trip a little more exciting.
